BON APPETIT

OUTSTANDING CUISINE

04/05

Fabulous food is an essential element to a great stay. Our executive chef and his brigade transform the freshest and best organic, local produce into pictures on a plate. Dishes more than match the grand ambience of The Park restaurant. All-day dining in the sleek chic of The Brasserie allows you to eat at a time that suits. From the best start to the day at breakfast to a celebratory dinner, each meal is special. Memories to dine out on for months to come.

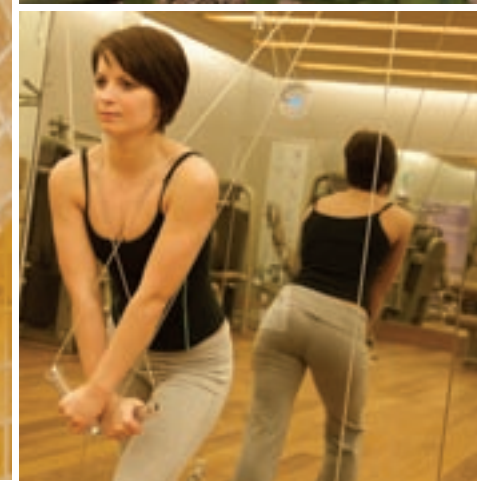

SECLUDED SERENITY IN OUR SPA

06/07

Cocooned within the walled garden of the hotel grounds, The Spa at Lucknam Park is a luxurious treat. Place yourself in the expert hands

of our therapists to ease away stresses and strains with the finest treatments. Extend your day of indulgence with thermal cabins, plunge pools and a lighter lunch in The Brasserie. Something more energetic? Try a gentle jog along our forest trail, a workout in the gym, a spot of croquet on the lawn or a set or two of tennis. An all-over sense of well-being.

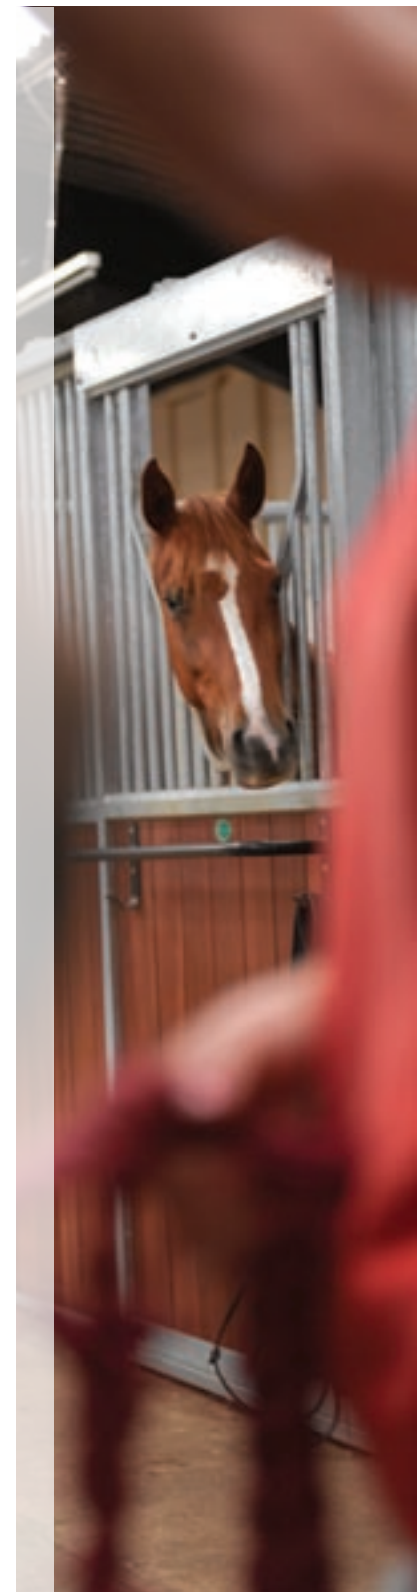

EXPLORE OUR ESTATE ON HORSEBACK

10/11

Gain a different perspective of Lucknam's 500-acre estate and the Cotswold countryside beyond. Our Equestrian Centre stables around 35 horses and ponies. There are lessons for those who have always wanted to ride but never tried. More experienced riders can improve their skills in our all-weather arena or out on the cross country course. Truly a centre of equine excellence.
