A day to remember

Of course, you can hold your civil ceremony and reception at Lucknam Park, none exclusively, between Sunday and Thursday. A midday ceremony for up to 60 guests leads on to a drinks reception before the wedding breakfast. The day comes to a close when guests depart by 5pm. Civil ceremonies enjoy the intimate surroundings of the Walmesley Room and the elegance of the Music Room. The Music Room is also perfect for small intimate groups for private dining, as is the beauty of The Park restaurant for larger weddings. Certainly a day you will look back on with fondness forever.

Memories of a special day

Plant a tree of your choice in our arboretum with plaque commemorating your marriage. Watch it grow and flourish as you come back to celebrate your wedding anniversary over the years. Capture your special day on film from the stunning setting of the beautiful rose and lavender gardens or the terrace of a 17th century Palladian mansion the choice is yours!

Discover Lucknam.

Make even more of your time with us at Lucknam. Book yourself in for spa treatments or an appointment with our hairdresser in readiness for the big day. A few sets of tennis, a dip in the pool, a game of croquet or a jog around our 500 acres will soon calm any pre-wedding nerves. Or ride off into the sunset at our Equestrian Centre. If time doesn't allow on this occasion, you can always return to Lucknam for your first anniversary. You could even make it an annual event, just the two of you.
